

# Tree Fertilization 2005

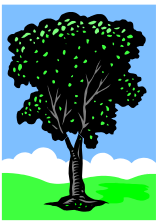

WOODS of STRONGSVILLE HOMEOWNERS ASSOCIATION PO Box 361082 i Strongsville OH 44136-0019 i (216) 556-0722

**Same Low Price as 2005!!!!**

**6th Year for this very successful program. Last year 178 Trees were Fertilized - and the neighborhood is looking much greener and better because of it.**

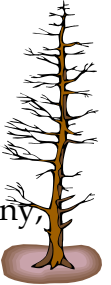

What do your trees look like?

*You can fertilize any of the trees in your yard... NOT just your tree lawn tree.*

Growing, full, healthy, beautiful color in late Fall?

OR - Smaller, leaves turn early, slow growing, or scrawny, and just not looking great?

The Woods HOA along with our new landscaper - **Southwest Landscaping** will offer Spring Deep Root Fertilization for your Trees. **Only \$4.50 per tree!!!** All of your trees should get deep root fertilization at least once per year.

It is a proven fact that neighborhoods with many healthy trees have higher real estate values than neighborhoods that have been clear-cut, underdeveloped or have dying trees.

*For only \$4.50 per tree, during April, Southwest Landscaping will provide Deep Root Fertilization for your trees. I will get you a notice of the date, along with marking flags for your trees just before the Saturday morning Southwest Landscaping will be around the neighborhood.*

Please fill out the form below, and return with your check payable to Woods HOA:
